PROFESSIONAL SUMMARY

Kinesiology Honours Graduate with prior frontline nursing experience, qualitative health research experience, and demonstrated leadership in long-term care and acute care settings. Experienced in research participant recruitment, semi-structured interviewing, qualitative coding, EMR documentation, medication management, staff coordination, athlete testing, and interdisciplinary collaboration. Seeking opportunities in research, rehabilitation, kinesiology, and health-focused professional roles.

CORE SKILLS

Qualitative research and coding • Participant recruitment and interviewing • Athlete testing and rehab support • Medication administration • EMR documentation (Meditech) • Interdisciplinary collaboration • Staff supervision and training • Excel, Word, video editing, tech troubleshooting, GitHub

EDUCATION

Bachelor of Science in Kinesiology (Honours)

University of Calgary, Calgary, AB
• *With Distinction*

Graduated May 2026

Practical Nursing Diploma

Okanagan College, Kelowna, BC

Graduated April 2018

RESEARCH EXPERIENCE

Research Assistant

University of British Columbia

Aug. 2021 - Feb. 2023

- Recruited 55 participants for a qualitative study examining the impact of COVID-19 policies in long-term care.
- Conducted semi-structured interviews and contributed to qualitative data collection.
- Performed qualitative coding and supported thematic analysis as part of the research team.
- Assisted with manuscript writing, editing, and formatting for publication.

PRACTICUM EXPERIENCE

Practicum Student

Village Sports / X-Factor, under Ryan van Asten

June 2025 - July 2025

- Supported athlete testing, including strength and power appraisals.
- Assisted with rehabilitation support in a performance setting.
- Contributed to coaching and athlete instruction during assessment and training sessions.

CLINICAL EXPERIENCE

Licensed Practical Nurse

Cottonwoods Care Centre

Feb. 2019 - Aug. 2021

- Helped coordinate care for approximately 50 residents alongside 1 other LPN and 8 care aides.
- Supervised care aide staff, trained new hires, managed medications, and documented in Meditech.
- Coordinated care with physicians and allied health professionals while communicating resident status changes.

Licensed Practical Nurse

Kelowna General Hospital

Jun. 2018 - Feb. 2019

- Provided postoperative care for thoracic, plastic surgery, burn/graft, and renal surgery patients.
- Shared responsibility for 32 postoperative patients across an 8-nurse team.
- Completed assessments, documentation, and care coordination within an interdisciplinary hospital setting.
- Delivered person-centred care while adapting to diverse medical and cultural needs.

PROJECTS AND PUBLICATION

Honours Thesis, University of Calgary

Pre-Laboratory Instructional Videos in Experiential Learning: A Kinesiology Perspective

Research Article, University of British Columbia

Christianson, T., Appiah-Kusi, E., Bremner, J., Filewich, A., Qazi, A., & Reid, C. (2023). Family involvement in British Columbia LTC facilities during a pandemic: The impact of COVID-19 restrictions. *Innovation in Aging*, 7(Supplement 1), 881. <https://doi.org/10.1093/geroni/igad104.2836>

TECHNICAL SKILLS AND CERTIFICATION

Technical: Microsoft Excel, Microsoft Word, qualitative coding, video editing, technical troubleshooting, PC building, GitHub, website setup and maintenance.

Certification: Current First Aid and CPR Level C with AED.
