PROFESSIONAL SUMMARY

Kinesiology Honours graduate with Distinction, bringing frontline nursing experience, qualitative health research experience, and applied athlete testing and rehabilitation support. Experienced in participant recruitment, semi-structured interviewing, qualitative coding, EMR documentation, medication management, staff coordination, and interdisciplinary collaboration. Combines exercise science training with clinical experience and professional development in hip rehabilitation.

CORE SKILLS

Athlete testing and rehabilitation support • Qualitative research and coding • Participant recruitment and interviewing • EMR documentation (Meditech) • Medication administration • Interdisciplinary collaboration • Staff supervision and training • Microsoft Excel and Word

EDUCATION

Bachelor of Science in Kinesiology (Honours) May 2026

University of Calgary, Calgary, AB
• With Distinction

Practical Nursing Diploma Apr. 2018

Okanagan College, Kelowna, BC

RESEARCH EXPERIENCE

Research Assistant Aug. 2021 - Feb. 2023

University of British Columbia

- Recruited 55 participants for a qualitative study examining the impact of COVID-19 policies in long-term care.
- Conducted semi-structured interviews and supported qualitative data collection and thematic analysis.
- Performed qualitative coding and contributed to manuscript writing, editing, and publication formatting.

PRACTICUM EXPERIENCE

Practicum Student Jun. 2025 - Jul. 2025 | 65-hour practicum

Village Sports / X-Factor, under Ryan van Asten

- Supported athlete testing, including strength and power appraisals, in a performance setting.
- Assisted with rehabilitation support, coaching, and athlete instruction during assessment and training sessions.

CLINICAL EXPERIENCE

Licensed Practical Nurse Feb. 2019 - Aug. 2021

Cottonwoods Care Centre

- Coordinated care for approximately 50 residents alongside 1 other LPN and 8 care aides.
- Supervised care aide staff, trained new hires, managed medications, and documented care in Meditech.
- Collaborated with physicians and allied health professionals while communicating resident status changes.

Licensed Practical Nurse Jun. 2018 - Feb. 2019

Kelowna General Hospital

- Provided postoperative care for thoracic, plastic surgery, burn/graft, and renal surgery patients.
- Shared responsibility for 32 postoperative patients across an 8-nurse team.
- Completed assessments, documentation, and care coordination while delivering person-centred care in an interdisciplinary hospital setting.
